Interim Public Authority Landfill Levy Rebate Claim Form

Public Authority Name:	
ABR / ABN:	
Bank Name & Branch:	
BSB:	
Account Number:	

Summary Statement Period Dates

Start:		**Finish:**	

Date	Material type collected	Weight of material	Disposal location	Disposal cost	Levy rate	Rebate claim	Invoice/ evidence #
					CLAIM TOTAL:	$ -	

Notes: *Document version: 8/07/2026*

Bank details: These are sought to allow rebates to be paid to the public authority and their nominated account.

Statement period: This is the period covered by the Summary Sheet, in the form of DD/MM/YYYY.

Material Type: The type of material collected should be listed in accordance with the Standard Material Classification - for further information see https://nre.tas.gov.au/environment/waste-and-resource-recovery/tasmanian-waste-and-resource-recovery-data.

Weight of material: Note volumetric conversions to weight are provided in the Standard Material Classification guideline listed above.

Disposal location:	This is the landfill to which the material is taken, when known. Otherwise, list the transfer station, and provide relevant evidence of how the landfill levy rate applied to that load has been calculated.
Disposal cost:	Total cost of disposing of the material colected.
Levy rate:	The landfill levy amount applicable at the date of disposal.
Rebate claim:	The amount being claimed for rebate under the Public Authority Landfill Levy Support Program.
Invoice/evidence #:	Include the reference number for attached invoices or other supporting evidence.
